

— DEAR CONGRESS, PASS THE — CLASSICS ACT

Digital radio makes billions of dollars a year from airplay of music made before Feb. 15, 1972. Yet, because of an ambiguity in state and federal copyright laws, artists and copyright owners who created that music receive nothing for the use of their work. The CLASSICS Act (H.R. 3301 S. 2393) would correct this inequity and finally ensure that musicians and vocalists who made those timeless songs finally get their due.

We urge Congress to pass the CLASSICS Act and other pro-artist reforms quickly.
